Principal's Message

Hi Huntsville Families,

I just wanted to share with you how excited I am to be principal at Huntsville School. With 26 years in the profession and 22 of them as a principal, I have had the opportunity to work in city and rural schools across Canada. As I expected, the children this week have been respectful, kind, and hardworking. All of the attributes of a safe and caring community. I look forward to a productive year and getting to know your children as we care for them. As well, I hope I get to meet most of you throughout the year.

With care,

Mr. Grimes
