# ENTREPRENEURSHIP PROJECTS

The grade 8/9 class has put together a bonanza!  
This is part of the Entrepreneurship Unit they are doing  
for Options this semester. This teaches them how it feels  
to start a business!

Half of the profits made from this will be donated to  
Piyami Lodge, and the rest will go towards a school  
event.

**EVERYONE IS WELCOME!**
