

DECEMBER 2024

HUNTSVILLE SCHOOL

Wellness Theme:

December has two wellness themes.

“Eat, Move, and Play Through the Holidays” promotes finding ways to be physically active throughout the busy month of December.

“Building Community” is about showing compassion and connecting to your community. It can be a big gesture such as shoveling snow for an elderly person, volunteering at a food bank or other community support, bringing a meal to someone, or donating time or money to a good cause, or a smaller gesture such as greeting a neighbour as you leave your house. Take time to connect with others this December. Enjoy these last few weeks of school and have a wonderful holiday season and we'll see you in the new year!
