This activity will help better understand conflict, migration, and the lives of refugees. Abe Janzen from the Canadian Foodgrains Bank will help lead the activity. Please join us if you are interested in trying out the activity and learning more about the work that it does all over the world.

All parents are welcome!

Family Numeracy Night FEBRUARY 6 @ 5:30 PM

Bring the whole family and play games together! It's a great chance to learn new games, play old favorites, and have quality family time together (children must be with a parent).

Thank you to Parent Council for supporting our Numeracy Night. Hope to see you there!

Wellness Theme: Kindness

Being kind can reduce stress and make us feel happier, as well as making others feel loved and appreciated.

Random Acts of Kindness Week is Feb 10-14 and Pink Shirt Day is Feb 26. We will have school wide activities this month to promote kindness.

We also encourage families to talk about kindness in our homes and communities.
